The **Empiribox Science Service for Schools** (the "Service") is a whole school solution for practical science at Key Stages 1 and 2. We currently support teachers to deliver inspiring science lessons to over 150 schools in the UK.

The Service includes:

- *The equipment needed for investigations for pupils to work in pairs in class*
- *Regular CPD accredited teacher training*
- *Termly suites of learning resources and supporting materials, including assessment tools for tracking pupil progress*
- *Ongoing personal support by teachers*

Online Portal Login

As part of the Service, you are able to gain access to our Online Portal. We regularly update this with health and safety information and fresh ideas and tips for delivering outstanding lessons and all content can be downloaded.

Within this, you will also find videos refreshers for all the experiments, cross-curricular ideas, lesson plans and much, much more!

Please provide the details for the users of our Service who will need access to the Online Portal.
